MY RECOMMENDATIONS

I suggest the following initiatives be undertaken by the Denton County Republican Party:

MY PERSONAL SKILLS

Volunteers are indeed the lifeblood of the Party, and the effort of our volunteers ultimately determines the level of success we will enjoy the November elections. Please look over the list on the back of this page and indicate with an "X" if you would like to serve on one or more committees; a brief description of each committee and an estimate of time required us given. In addition, we have tried to provide a general timeframe within which the committee will operate. Thank you for our willingness to serve.

___ **Ballot security** – Work with Party officials to insure against election fraud at appropriate polling sites in Nov. (Brief training prior to Nov. election; Nov. Election Day heavy time requirement.)

___ **Fundraising** – Assist in raising money for state and federal GOP candidates on the Nov. ballot. This could include both event planning and solicitation of donations. (Probably limited to Jun-Nov., hours required vary depending on event and fundraising goal; may involve extensive phone work.)

___ **Gubernatorial Appointments**-Acts as liaison between Governor’s Appointments Secretary and Denton County Republicans to research vacancies on State Boards and Commissions, identifies appropriate candidates in Denton County, and assists those candidates in the application process. (Ongoing throughout the year; limited time required.)

___ **Headquarters**-Work on rotating schedule to assist Headquarters Administrator with Party tasks, (e.g. administrative/clerical); professional and friendly attitude necessary; helpful to be computer-literate. (Flexible hours and ongoing throughout the year.)

___ **Hospitality**-Provide transportation and appropriate event planning for state and federal VIP’s. (Ongoing throughout year with fairly heavy activity in weeks preceding Nov. election. VIP’s schedule will dictate hours required.)

___ **Library**-New project to establish a lending library of books, videos, tapes, etc., within headquarters and available for grassroots Republicans to borrow. (Ongoing throughout the year; hours flexible.)

___ **Lincoln Day Dinner**-Annual Party fundraiser held usually in Feb; volunteers needed for planning, nametags, decorations, procurement of silent auction items, etc. (Dec.-Feb. with several meetings and outside activities as determined by specific tasks; generally flexible hours.)

___ **Long Range Planning**-Identify long-term party goals/objectives and means to achieve them. (Ongoing throughout the year with multiple meetings to compile data and make recommendations to Executive Committee; flexible meeting times depending on committee members' schedules.)

___ **Media Watch**-Identify and clip articles in various Count Media, which pertain to the Party’s Nov. ballot candidates; write/coordinate letters to the editor in response and have party official respond where appropriate. (Ongoing throughout the year but probably heaviest in fall prior to Nov. election; work primarily from home; flexible hours and infrequent meetings.)

___ **Phone banks**-Work phone banks for Nov. election to identify GOP voters and encourage them to actually vote.(Sept.-Nov. election-as often as volunteers schedule permits.)

___ **Speaker’s Bureau**- Coordinate presentations promoting the Republican message to schools, civic groups, etc.; identify, organize and train Republican volunteers to do these presentations. (Ongoing throughout the year, perhaps having heavy concentration just prior to Nov. election. (Initial time involvement fairly heavy to plan contacts and train speakers. Speakers assigned according to availability.)

___ **State Convention Reception**- Assist n planning and executing the County Party’s reception at the State Convention; help gather and assemble “goodie bags” from Denton County businesses prior to reception. (April through June; flexible hours.)

___ **Technology & Databases**- Identify Headquarters’ user requirements for computer systems; recommend any needed upgrades or changes to the systems; assist HQ staff in training and utilizing the systems; assist with computer problems when possible. (Ongoing throughout the year. Hours somewhat flexible.)

___ **Victory Elections**-Identify Republican voters in Key precincts; commit to Get Out the Vote (GOTV) efforts for Nov. election; implement other Victory plans as directed by State Party. (Crucial time periods will be summer through Election Day; flexible hours; strong commitment to the GOP, its principles and candidates.)

___ **Voter Registration**- Register likely Republican voters in key precincts. (Jun-Oct., as often as volunteer’s schedules permits. May entail both door-to-door or “booth” registration.)
